TO BE SUPPLIED BY BOUGE DE L A:

SOUND

- The company can provide the necessary sound equipment and a sound manager.

Recommendations:

- Please ensure that the performing area is reserved and available for the installation and setup at least 1h before the show.
- For the school shows, if there are any intermission recreational activities, please ensure that the kids do not play around the reserved area to avoid damaging the technical material.
- For the school shows, please ensure that the classes arrive on time and the kids are seated before the beginning of the show.
